Worcester Parks, Recreation & Cemetery Reopening Plan Phase II

Hope Cemetery:

- 1) Water service will be reactivated by Friday June 12, 2020
 - a. Signage will be placed on each spigot advising users to sanitize hands before and after each use.
 - b. Sanitizing equipment, wipes, gel or other products will need to be supplied by the user.
- 2) All maintenance and burial operations will continue.
- 3) All burials services will continue to be required to meet the "No groups larger than 10 are allowed to gather"
- 4) Visitation to Hope is encouraged but social distancing must be followed.
- 5) "Face Coverings and Masks: All visitors to parks and open spaces, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible".

Parks:

Green Hill Farm:

- 1) Green Hill Farm will remain closed until further notice

Courts:

Basketball, Handball & Volleyball Courts:

- 1) All basketball, handball & volleyball courts will remain closed until further guidance occurs in late June 2020 during Phase three.
- 2) Additional security measures will be placed at these facilities to eliminate use
- 3) As per phase II guidance from EOEEA "No groups larger than 10 are allowed to gather" which would be difficult to manage
- 4) As per phase II guidance from EOEEA these courts can be used for "non-contact sports, with no shared equipment" which would be difficult to manage
- 5) As per phase II guidance from EOEEA these courts cannot be used for "scrimmages, organized games and tournaments". "Contact sports are those where ordinary play puts players into contact or close proximity to one another, and includes without limitation, basketball, football, baseball, soccer, field hockey, and lacrosse." which would be difficult to manage
- 6) As per phase II guidance from EOEEA these courts cannot have "individuals should not congregate outside the field/court of play to avoid overcrowding" which would be difficult to manage

Tennis & Pickleball:

- 1) Facilities are open
- 2) As per phase II guidance from EOEEA these courts can be used for “non-contact sports, with no shared equipment”
- 3) As per phase II guidance from EOEEA these courts can be used for Tennis & Pickleball “games are permitted, but inter-team games or tournaments are not allowed”
- 4) As per phase II guidance from EOEEA “Face Coverings and Masks: All visitors to parks and open spaces, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible”.
- 5) Crompton Park Tennis Courts will remain closed until we open the handball courts
- 6) Pickleball is at Holmes Field
- 7) Signage will be placed

Permits:**Park Permits:**

- 1) There will be no group gatherings permits issued during phase II as stated in the guidance from EOEEA “No permits should be issued for group gatherings”.
- 2) Permits will be accepted on Friday June 12, 2020.
- 3) There will be permits issued during phase two for athletic field use to organizations that meet the phase II reopening guidelines from EOEEA which include:
 - a. “Users should sanitize hands before and after play and not share equipment”
 - b. “Users waiting to utilize a section or area of the field should wait outside the field of play until previous users have vacated to ensure proper social distancing”
 - c. “Scrimmages, organized games and tournaments are not allowed for contact sports in Phase II, and activities must be limited to no-contact drills and training exercise. Contact sports are those where ordinary play puts players into contact or close proximity to one another, and includes without limitation, basketball, football, baseball, soccer, field hockey, and lacrosse.”
 - d. “Individuals should not congregate outside the field of play to avoid overcrowding”
 - e. “Users activities should be consistent with social distancing and group size guidelines”.
 - f. “Persons seeking to organize youth or adult sport activities should review and follow EOEEA;s Workplace Safety and Reopening Standards for Businesses and Other Entities Providing Outdoor Adult Sports, Supervised Adult Youth Sports League, Summer Sports Camps guidance.”
 - g. “No groups larger than 10 are allowed to gather”
 - h. “Face Coverings and Masks: All visitors to parks and open spaces, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible”.

- 4) There will also be requirements from the City that include:
 - a. Many national sports organizations have chosen not to hold their season this year which could mean that the insurance policy held by local leagues and teams may not be valid for this year. The City will require all leagues or teams to have an approved insurance binder (for their protection as well as ours) with the City of Worcester as an additional insure.
 - b. A plan submitted that details how each league or team will meet the requirements of the national sports organization they are affiliated with.
 - c. A plan submitted that details how each league or team will meet the requirements of the CDC & Commonwealth of Massachusetts COVID-19 reopening requirements
 - d. A plan submitted that details how each league or team will meet the requirements of the CDC & Commonwealth of Massachusetts COVID-19 reopening requirements as it relates to restroom use
 - e. “Face Coverings and Masks: All visitors to parks and open spaces, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible”,

Skate Park:

- 1) The skate park at Green Hill will remain closed until further guidance on this will occur in late June 2020 during Phase three.
- 2) As per phase two guidance from EOEEA “No groups larger than 10 are allowed to gather” which would be difficult to manage
- 3) “Users activities should be consistent with social distancing and group size guidelines”, which would be difficult to manage
- 4) “Individuals should not congregate outside the field of play to avoid overcrowding”, which would be difficult to manage

Athletic Fields:

Sports Fields:

- 1) Sports fields will remain open but phase II use can begin after required documents are reviewed as per phase II guidance from EOEEA:
 - a. “Face Coverings and Masks: All visitors to parks and open spaces, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible”.
 - b. “Users should sanitize hands before and after play and not share equipment”
 - c. “ Users waiting to utilize a section or area of the field should wait outside the field of play until previous users have vacated to ensure proper social distancing”
 - d. “Scrimmages, organized games and tournaments are not allowed for contact sports in Phase II, and activities must be limited to no-contact drills and training exercise. Contact sports are those where ordinary play puts players into contact or close proximity to one another, and includes without limitation, basketball, football, baseball, soccer, field hockey, lacrosse, hockey and other sports where ordinary play puts players in direct contact or close proximity..”

- e. "Individuals should not congregate outside the field of play to avoid overcrowding"
- f. "Users activities should be consistent with social distancing and group size guidelines".
- g. "Group size is limited. Programs must separate participants into groups of no more the 10 participants, including coaches and staff"
- h. "Organizers of youth and adult sports programs shall follow the EEOEA guidance"
- i. "Must limit activities exclusively to no-contact drills and practices."
- j. "Implementing Safety Measures for Your Operators
 - i. Social distancing
 - ii. Hygiene protocols
 - iii. Staffing and operations
 - iv. Cleaning and Disinfecting
- k. "Limit any nonessential visitors, spectators, staff, volunteers, and activities involving external groups or organizations as much as possible. Visitors, spectators, volunteers and staff must wear face coverings."
- l. "Spectators/chaperones must practice social distancing including wearing face coverings."
- m. "Access to equipment storage and office space should be limited to employees only. First aid kits should be available at the playing field area or court rather than in an office, where possible."
- n. "Managers must set, post and monitor occupancy limits for bathrooms based on the ability to maintain six-foot social distancing".
- o. "Referees, umpires and other officials are not required for practice and cannot be present in Phase II".
- p. "Coaches must be responsible for maintaining social distance among players, coaches, staff and spectators."
- q. "Athletes should be discouraged from high fives, fist bumps or other social contact during practice."
- r. "Participants, coaches, instructors counselors must be kept in the same small group (cohorts) with dedicated coaches or other staff."
- s. "Activity organizers must ensure that participants use their own personal equipment".
- t. "No shared drinks"
- u. "Activity Organizers should ensure that athletes arrive dressed for practice and leave immediately after practice: no recreational play or loitering is allowed".
- v. "Activity Organizers must have daily schedules prepared in advance".
- w. "Activity Organizers should log persons (name & phone number or name & email address) who remain on site for a sustained period of time to facilitate contact tracing, including staff, participants and spectators."

2) There will also be requirements from the City that include:

- a. A permit will be required
- b. Many national sports organizations have chosen not to hold their season this year which could mean that the insurance policy held by local leagues and teams may not be valid for this year. The City will require all leagues or

teams to have an approved insurance binder (for their protection as well as ours) with the City of Worcester as an additional insure.

- c. A plan submitted that details how each league or team will meet the requirements of Phase II reopening under Workplace safety & reopening Standards for Businesses and Other Entities Providing Outdoor Adult Sports, Supervised Youth Sports Leagues, Summer Sports Camps – Phase II.
 - d. A plan submitted that details how each league or team will meet the requirements of the national sports organization they are affiliated with.
 - e. A plan submitted that details how each league or team will meet the requirements of the CDC & Commonwealth of Massachusetts COVID-19 reopening requirements Outdoor Recreation Facility Restroom Cleaning Best Practices
- 3) The City shall include signage stating the above requirements

Aquatic Facilities*:
