

# Health Check

*Before you enter...*

## Do you any of these symptoms?

- Fever.
- Chills.
- Cough.
- Shortness of breath.
- Fatigue.
- Muscle pain.
- Headache.
- Loss of taste or smell.
- Sore throat.
- Stuffy or runny nose.
- Nausea.
- Vomiting.
- Diarrhea.

## Have you had close contact with someone with COVID-19?

- » If you answered **“yes”** to any of these questions, don’t come in. Go home now and take good care of yourself. Call your supervisor when you get home.
- » If you start to feel sick while at work, leave immediately and contact your supervisor.
- » Get tested.

**We care about you.**
