

# SAFETY PRECAUTIONS CHECKLIST FOR PHARMACIES + FOOD-SELLING ESTABLISHMENTS

On June 17, 2020, Governor Whitmer signed [Executive Order 2020-126](#), extending safeguards outlined in previous Executive Orders. **The following precautions are to be taken by all pharmacies and food-selling establishments, in addition to the precautions outlined in [Executive Order 2020-114](#).**

\* A checklist of EO 2020-114 requirements can be found in the "[COVID-19 Guide for Employers \(6/8/2020\)](#)."

## **EO 2020-226 REQUIRES PHARMACIES + FOOD-SELLING ESTABLISHMENTS TAKE THE FOLLOWING PRECAUTIONS TO AVOID COVID-19 SPREAD:**

- ☐ All individuals entering these establishments who is able to medically tolerate a face covering must wear a face covering over their nose and mouth, such as a bandanna, or homemade mask
- ☐ Grocery stores and pharmacies must create at least 2 hours per week of dedicated shopping time for vulnerable populations: those over age 60, those who are pregnant, and those with chronic conditions including heart disease, diabetes, and lung disease
- ☐ Deploy strategies to reduce COVID-19 exposure for their customers and employees consistent with those described in EO 2020-114 or any order that follows from it

**In addition to the strategies described in EO 2020-114, these establishments must also:**

- ☐ Provide access to hand washing facilities, including those available in public restrooms
- ☐ Require checkout employees to wear coverings over their noses and mouths
- ☐ Allow employees sufficient break time to wash hands as needed
- ☐ Use best efforts to ensure checkout employees disinfect their hands between orders to prevent cross contamination
- ☐ Use best efforts to provide employees and customers access to an alcohol-based sanitizer that contains at least 60% alcohol
- ☐ Use best efforts to provide disinfecting wipes at cash registers and entrance points for customers to disinfect carts and baskets, as well as other appropriate locations
- ☐ Ensure that both employees and customers remain at least 6 feet apart to the maximum extent possible, including during employee breaks
  - ☐ Create temporary barriers
  - ☐ Designate aisles as one-way only
  - ☐ Visual markers for physical distancing
- ☐ Close self-serve prepared food stations such as salad bars
- ☐ Eliminate free samples and tasting stations
- ☐ Adopt procedures to meet the environmental cleaning guidelines set by the CDC, including cleaning and disinfecting frequent touch-points throughout the store
- ☐ Accommodate employees who fall within a vulnerable population by providing lower-exposure work assignments or giving them the option to take an unpaid leave of absence with a return date coinciding with the end of the declared states of emergency and disaster, or July, 15, 2020 -- whichever is later

- ☐ Prohibit employees who are sick from reporting to work and send employees home if they display symptoms of COVID-19
- ☐ Close to the public for sufficient time each night to allow stores to be properly sanitized
- ☐ Encourage cash transactions to be processed at self-checkout kiosks when possible
- ☐ Adhere to all applicable safeguards, including but not limited to conducting a daily self-screening protocol for all employees and contractors, that are required under EO 2020-114 or any order that may follow it
- ☐ Vendors moving between food-selling establishments must frequently clean and disinfect frequently touched surfaces
- ☐ Adopt protocols to limit the sharing of tools and equipment to the maximum extent possible
