RESCISSION OF EMERGENCY PUBLIC HEALTH ORDER #20-03

Governor Whitmer's Executive Order 2020-110 issued on June 1, 2020, creates a uniform statewide policy that allows public outdoor swimming pools to open with limited capacity and other restrictions, and directs that indoor swimming pools remain closed. Thus, Wayne County Health Department Emergency Public Health Order #20-03 is no longer necessary.

More specifically, Executive Order 2020-110 states:

Unless otherwise prohibited by local regulation, public swimming pools, as defined by MCL 333.12521(d), may open as of June 8, 2020, provided the pools are outdoors and limit capacity to 50% of the bather capacity limits described in Rule R325.2193 of the Michigan Administrative Code, and subject to guidance issued by the Department of Health and Human Services. Indoor public swimming pools must remain closed.
